- Included: Heat resistant pouch
- Automatic shut off after one hour for extra safety
- On/off indication light

PHILIPS
sense and simplicity

Highlights

Ceramic plates

Ceramic is microscopically smooth and durable by nature, and is therefore one of the best materials for straightening plates. The plates glide effortlessly through your hair, giving you perfect shiny hair.

13 piece heatstyler set

Every hairstyle you can imagine is possible with the versatile styling tools. Be creative!

Slide-on brush

This attachment can be easily placed on tong to create additional volume and beautiful wavy styles.

Slide-on spiral

Just follow the curves to create the most beautiful ringlets, it has never been so easy!

Spiral curling tong

The defined spirals on the curling tong give you loose waves easily.

Hairclips

Use the hairclips to make sections, this will help you to style all your hair easily.

Cool tip

The tip of the styler is made from special heat insulating material to keep it cool; you can safely hold it while you're styling for optimal ease of use.

Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.

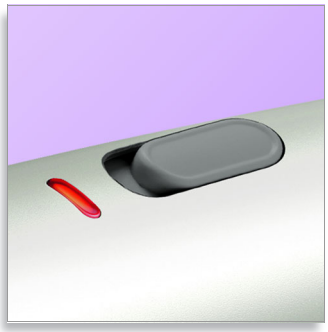
Heat resistant pouch

This Heat Resistant pouch is perfect for styling on the go. Forget waiting for your styler to cool down. Simply store using the heat resistant pouch included.

Automatic shut-off

The automatic shut-off feature has been designed to provide peace of mind. If left on, the styler will automatically switch off after one hour.

On/off indication light



On/off indication light

1.8 m cord

1.8 m power cord
